Your session will start by practicing with close range throws using training or "angel" axes, which give you greatest chance of getting a "stick", before moving back to use larger, longer range tomahawks axes. Each session finishes with a mini mountain man competition!

These safe air cushion machines are easy to drive and promise an exciting and rewarding day out for everyone.

### Rage Buggies

These are large grass go-carts at the heart of which is a robust Honda V-Twin petrol engine, giving strong performance from its 620cc capacity. Guests do timed laps around our obstacle course and the team with the best time wins!

- 3:30pm      Guests return to the barn for tea/coffee and cake for prize-giving.

All food and soft drinks, instruction and equipment, full event management and prizes for the winning team are provided. Soft drinks will be available throughout the day and there will be prize giving at the end of the day for the best at each activity.
