

## Family Fun Day - Children's Inflatables

**Assault Course** – *Suitable for over 3's to 10 years*

Our new giant assault course is 48ft long, 10ft wide and 11ft high. It has a host of obstacles to tackle including biff'n'bash wobblers, hi-low mangle beams, squeeze holes, a small wall to climb as well as a large slide at the end of the run.

**Bouncy Castle** – *Suitable for toddlers to 6 years*

Our Small castle measures 12ft x 14ft and is Treasure Island themed. This unit comes complete with a rain cover & safety mats as well as an experienced operator to ensure the children are playing safely at all times and that the different younger ones get to bounce separately from the older ones

**Bouncy Castle** – *Suitable for toddlers to 14 years*

Our Large castle measures 20ft x 20ft and is Medieval themed. This unit comes complete with safety mats as well as an experienced operator to ensure the children are playing safely at all times and that the younger ones get to bounce separately from the older ones.

**Soft Play Arena** - *Suitable from 1 to 3 years*

This 20ft square Soft Play Centre is suitable for children up to the age of 3 years old and will hold up to 10 children at any one time. An ideal attraction for the little ones and supervised by our experienced operators.

**Mega Slide** - *Suitable for 2 to 14 years*

Something really 'Big' for your event. The Mega Slide has a base area of 30ft x 18ft and is 18ft high. The kids clamber up one side and whiz down the other. A great centre piece for any event as it can be seen by all attending and comes complete with 2 operators.

### Inflatable Games

**Basketball Challenge** – *Suitable for over 5's to adult*

A fantastic new game for 2008, where players attempt to throw the ball through the hoop. With 3 hoops this brightly coloured inflatable will occupy children and adults alike.

**Bouncy Boxing** - *Suitable for over 10's to adult*

A 12 foot square inflatable with netted sides to contain all the action. Participants wear gigantic foam filled boxing gloves and try to knock down their opponent while remaining standing themselves !

- Bungee Run** - *Suitable for over 7's to adult*  
A 30ft long inflatable game where two contestants run as fast as they can to beat their opponent before a bungee rope harnessed to them pulls them back to the start.
- Gladiators** - *Suitable for over 7's to adult*  
Based on the popular TV show contestants stand on raised padded podiums surrounded by an inflatable mattress, complete with a safe surrounding wall.  
With helmets and Pugil sticks - Let the battle commence !
- Human Table Football** - *Suitable for over 7's to Adult*  
This is a game of table football – but human sized! With an inflatable pitch measuring 50ft x 25 ft, the game is played by teams of up to seven a side. Each player holds on to their hand straps which are attached to solid plastic poles attempting to score a goal by only moving sideways.
- Laser Quasar** – *Suitable 7 years to adult*  
Laser Quasar is an inflatable Space Ship measuring 15m square. Each player is given a body harness and a Laser Gun and instructed to enter the ship and start to explore.  
Laser beams cut through the smoke filled air as you fire at your opponents, running through the nine chambers in the ship. – Serious fun with a laser gun !!
- Sumo Wrestling** - *Suitable for over 10's to adult*  
Contestants wear giant padded Sumo suits & safety hats and attempt to push their opponent out of the ring.  
Three rounds decide the winner as the contestants grunt and groan their way to victory!
- Children's Sumo Wrestling** - *Suitable for over 5's to 10*  
As above but made for children.
- Velcro Football** - *Suitable for over 5's to adult*  
A 25ft x 15ft inflatable bed with a 12ft high inflatable wall. The object of the game is to kick footballs past our goalie and score by sticking the footballs on the Velcro wall.
